Mission Statement

Mount St. Joseph Academy provides a personal, Catholic school community in the heart of Vermont. Founded by the Sisters of St. Joseph, MSJ focuses on the education of the whole person by integrating spiritual development, academics, extracurricular activities, and community service into everyday life. Inspired by the Holy Spirit, Mounties are self-confident and resolute. Our mission is to create a just world.

Dedication

Janelle Alt

Mrs. Alt is a key part of the MSJ community. During orientation this year, she introduced herself as the secretary, school nurse, and person you go to for whatever else you need, and she was right. She is the students' best friend.

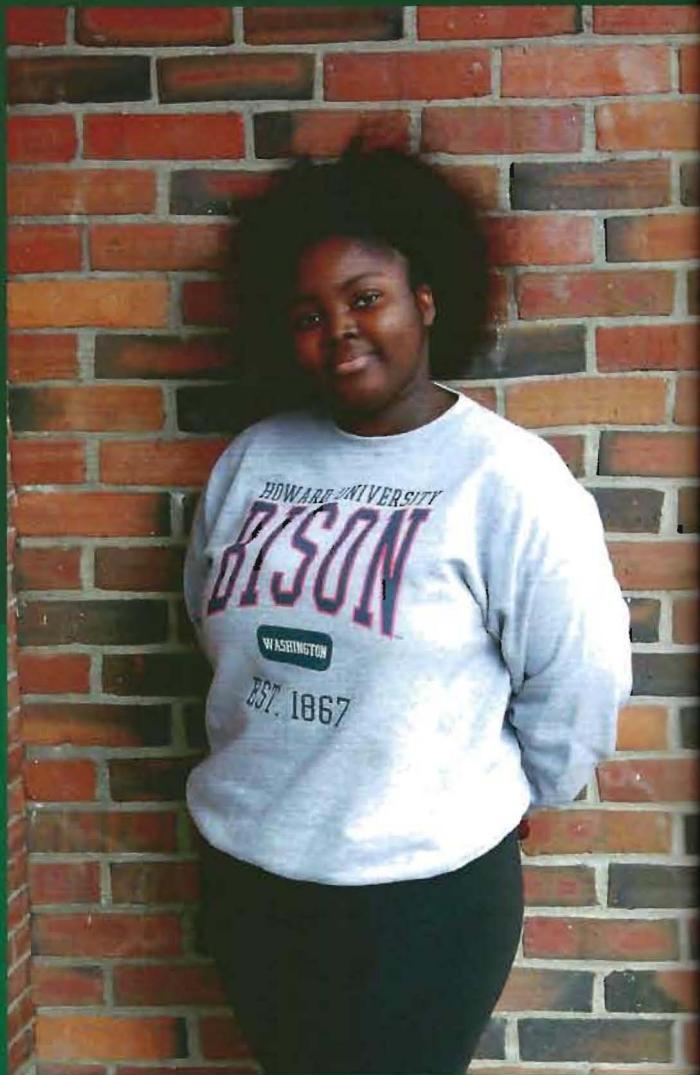

There is no one more supportive, hard-working, and generous with her time than Mrs. Alt. The senior class will always be grateful for the kind advice and friendly face she offers. Thank you Mrs. Alt, we will miss you.

- The Class of 2022

Letter From The Editor

Sarah-Christelle
Guerrier (Class of
2022)

First, I would like to thank Ms. Hogan for granting me the opportunity to be editor in chief. Not only did it allow me to be in charge of my own yearbook, it opened doors for me to be more involved at school. I would also like to thank my yearbook team for making this ride both fun, and productive. It was easy to communicate with them and we were truly a team. To the school and staff, we are very grateful that you entrusted us with keeping the yearbook authentic, and MSJ spirited. To the students and parents, thank you for always supporting us in our journey of making the yearbook; from taking pictures at sporting events, during spirit week, and dress-down days, to buying the yearbook that we worked so hard on. I again want to thank the students of MSJ, for making it so easy for our team to capture memories. Without your help, we would not have been able to make your yearbook, literally. Overall, I hope you find this yearbook as special as we do. And on behalf of the Yearbook staff, I hope you enjoy flipping through every single page!
